- V. Locks of Love: We'll be holding our Locks of Love program on April 7th on the Reitz Union Colonnade. This has been a very successful program for the past 2 semesters in which girls (or guys) cut their hair to benefit kids with cancer. If you can cut 6", the Locks of Love organization sells the hair for profit and cutting 10" allows them to make a wig for medical hair loss. If you can, try to grow your hair out for this AWESOME cause! Stay posted for more information! ☺
- VI. Announcements: Our next meeting will be Thursday, March 4th at 7pm.

Meeting ended at 7:25pm.
